Singapore Plumbing Society Licensed Plumber's Recognition Awards (Supported by PUB, National Water Agency)

These awards aim to recognise outstanding SPS plumbers who have made significant contributions to the plumbing and sanitary profession and the community, and have shown exemplary professionalism in the following areas:

- a. Excellence in customer service
- b. Go beyond the call of duty
- c. Champion of plumbing related community and social causes
- d. First mover in the adaptation of plumbing technology
- e. Innovative and productive in plumbing trade
- f. Support SPS member's need
- g. Involve in iconic projects

Rules

1. This nomination is open to all members of the Singapore Plumbing Society (SPS) who are licensed by PUB.
2. Only current and good standing SPS members are allowed to make a nomination. All nominations must be supported by two current and good standing SPS members.
3. Each SPS member is only allowed to make one nomination per category of award.
4. Nominees shall be actively engaged in plumbing and sanitary services in Singapore and meet the requirements of the category of award.
5. Nominees shall not accumulate any demerit points on or before the Plumber's Recognition Night on 26th October 2018.
6. The nomination period shall be from **1st August to 15th September 2018.**
7. The award winners of previous year shall not be eligible for nomination in the current year.
8. Nomination form can be downloadable from SPS website at plumbing.org.sg
